Glossary

[View Full Glossary](#)

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Vehicle Facts: The Honda Accord was fully redesigned for 2013 and returns largely unchanged for
 2014 * Honda adds efficiency-enhancing direct fuel injection to the Accord's standard 2.4-liter
 four-cylinder engine, which is paired to a continuously variable transmission * The HondaLink
 connectivity system integrates Internet audio streaming, social media applications and cloud-based
 content through iPhone and Android apps * Honda Accord is available as a midsize sedan and
 coupe * Honda Accord Coupe models come in LX-S, EX, EX-L and EX-L V6 variants, with a
 navigation package available for the V6 model * Honda Accord Coupe 4-cylinder models are
 powered by a 2.4-liter DOHC i-VTEC 16-valve in-line 4-cylinder engine rated at 185 HP at 6400
 RPM with a torque rating of 181 lbs.-ft. at 3900 RPM * Honda Accord Coupe V6 models are
 powered by a 3.5-liter SOHC i-VTEC 24-valve V6 engine rated at 278 HP at 6200 RPM with a
 torque rating of 251 lbs.-ft. at 5300 RPM * A choice of 6-speed manual transmission, CVT
 automatic transmission and 6-speed automatic transmission is offered, depending on model *
REASONS TO BUY: Using the highest amount of high-strength steel in the history of the model,
 the Accord Sedan and Coupe bodies combine sophisticated and athletic styling with
 high-efficiency safety protection and remarkable aerodynamic streamlining * Extensive use of
 under-covers improve the aerodynamics for increased fuel efficiency * Innovative Earth Dreams
 Technology powertrains include Honda's next-generation 2.4-liter, direct-injected 4-cylinder engine
 with continuously variable transmission or 6-speed manual transmission for 4-cylinder models * A
 highly rigid unit-body, refined suspension technology and advanced electronics define the Accord
 chassis as the most capable in model history * Features include a MacPherson strut front
 suspension (with Amplitude Reactive Dampers on Hybrid models), a hybrid steel-and-aluminum
 front subframe (all-aluminum on Hybrid models) and electric power steering * Active Noise Control
 (ANC) and Active Sound Control (ASC) on both 4-cylinder and V-6 models counteract noise for a
 more serene cabin * The Accord's Advanced Compatibility Engineering II body structure, standard
 on all models, helps improve frontal crash safety performance * The ACE design utilizes a network
 of connected structural elements to distribute crash energy more evenly throughout the front of the
 vehicle; this enhanced frontal crash-energy management helps to reduce the forces transferred to
 the passenger compartment and can help to more evenly disperse the forces involved in a crash *
 The anti-lock braking (ABS) system uses a special modulator to pulse the brakes to help prevent
 wheel lockup; this helps the driver retain steering control when braking hard * The Electronic Brake
 Distribution (EBD) system balances the braking forces at each wheel according to how the car is
 dynamically loaded *

WARRANTIES FOR THIS VEHICLE:

AS IS-NO WARRANTY

YOU WILL PAY ALL COSTS FOR ANY REPAIRS. The dealer assumes no responsibility for any repairs regardless of any oral statements about the vehicle.

WARRANTY

FULL

LIMITED WARRANTY. The dealer will pay 0% % of the labor and 0% % of the parts, for the covered systems that fail during the warranty period. Ask the dealer for a copy of the warranty document for a full explanation of warranty coverage, exclusions, and the dealer's repair obligations. Under state law, "implied warranties" may give you even more rights.

SYSTEMS COVERED:

Remainder of Factory Warranty applies to this vehicle.

DURATION:

Remainder of Factory Warranty applies to this vehicle.

SERVICE CONTRACT. A service contract is available at an extra charge on this vehicle. Ask for details as to coverage, deductible, price, and exclusions. If you buy a service contract within 90 days of the time of sale, state law "implied warranties" may give you additional rights.

PRE-PURCHASE INSPECTION: ASK THE DEALER IF YOU MAY HAVE THIS VEHICLE INSPECTED BY YOUR OWN MECHANIC EITHER ON OR OFF THE LOT.

SEE THE BACK OF THIS FORM for important additional information, including a list of some of the major defects that may occur in used motor vehicles.
