VEHICLE MAKE MODEL YEAR VIN NUMBER

CPL41827
DEALER STOCK NUMBER (Optional)

WARRANTIES FOR THIS VEHICLE:

AS IS - NO WARRANTY

YOU WILL PAY ALL COSTS FOR ANY REPAIRS. The dealer assumes no responsibility for any repairs regardless of any oral statements about the vehicle.

WARRANTY

- FULL LIMITED WARRANTY. The dealer will pay 100% of the labor and 100% of the parts for the covered systems that fail during the warranty period. Ask the dealer for a copy of the warranty document for a full explanation of warranty coverage, exclusions, and the dealer's repair obligations. Under state law, "implied warranties" may give you even more rights.

SYSTEMS COVERED:

DURATION:

Engine Unit

90 Days or 3000 Miles.
Whichever comes first

Trans. Unit

90 Days or 3000 Miles.
Whichever comes first.

Steering Unit

90 Days or 3000 Miles.
Whichever comes first

Brake Pads and Shoes

90 Days or 3000 Miles.
whichever comes first

SERVICE CONTRACT: A service contract is available at an extra charge on this vehicle. Ask for details as to coverage, deductible, price, and exclusions. If you buy a service contract within 90 days of the time of sale, state law "implied warranties" may give you additional rights.

PRE PURCHASE INSPECTION: ASK THE DEALER IF YOU MAY HAVE THIS VEHICLE INSPECTED BY YOUR MECHANIC EITHER ON OR OFF THE LOT.

SEE THE BACK OF THIS FORM for important additional information, including a list of some major defects that may occur in used motor vehicles.

Vehicle Facts: The BMW 3-Series Coupes & Convertibles have been significantly updated for 2004
 * All models are now powered by the 2.5-liter DOHC 24-valve I-6 engine mated to a 5-speed
 manual transmission or optional 5-speed Steptronic automatic transmission * Rain-sensing
 windshield wipers and automatic headlights are now standard equipment for 2004; both were
 formerly optional with the Premium Package * Changes for the 2004 BMW 325Ci include new
 front-end design, new front & rear bumper contours, new taillight technology incorporating BMW's
 innovative Adaptive Brake lights, new wheel designs, new exterior colors, and newly configured
 climate-control panel * * REASONS TO BUY: A front center armrest makes travel more
 comfortable, including an integrated storage compartment * Interior lighting includes individual front
 & rear map reading lights as well as footwell & visor mirror lights * Gathered leather gearshift &
 handbrake gaiters are standard for added comfort * Impact resistant exterior mirrors fold upon
 contact, protecting them in car washes, and helping to protect other road users in case of an
 accident * Chrome rocker panel strips help protect paint from scuffs & chips * Side protection strips
 shield against parking lot dings while providing a subtle character line * Keyless entry system
 includes a multi-function remote key head, providing two-step unlocking & remote tailgate release
 * A four-spoke leather-wrapped multi-function steering wheel lets you keep both hands on the
 wheel while adjusting audio settings & cruise control * Check Control Indicator monitors important
 data including brake fluid & oil levels * The automatic climate control system includes automatic air
 recirculation, which is activated when a sensor detects certain pollutants in the outside air *
 Optional Park Distance Control uses ultrasonic sensors in the rear bumper to help you judge the
 distance to other cars & unseen objects when parking * Dynamic Stability Control system senses
 oversteer or understeer and modulates engine power & can apply brakes individually to help keep
 the vehicle under control and going in the proper direction, on slippery road surfaces * All Season
 Traction Control provides excellent stability & control in slippery road conditions * Traction Control
 system detects wheel spin and modifies the engine's electronic throttle & ignition timing to reduce
 torque, while acting on each rear brake individually to bring wheel spin under control * Impact
 absorbing bumpers and compressible crush tubes front & rear help absorb the force of impact in
 collisions up to 9 mph, minimizing damage to the vehicle's body & simplifying repairs * And impact
 sensor, detecting a severe impact, automatically flashes the hazard lights, turns on interior lights
 and unlocks the doors to facilitate emergency aide access * In the event of a severe frontal impact,
 automatic safety belt pretensioners automatically tighten the lap & shoulder belts around front-seat
 occupants *

Glossary

[View Full Glossary](#)

Accident / Damage Indicator

CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada. Different information in a vehicle's history can indicate an accident or damage, such as: salvage auction, fire damage, police-reported accident, crash test vehicle, damage disclosure, collision repair facility and automotive recycler records. Not every accident or damage event is reported and not all reported are provided to CARFAX. Details about the accident or damage event when reported to CARFAX (e.g. severity, impact location, airbag deployment) are included on the Vehicle History Report. CARFAX recommends you obtain a vehicle inspection from your dealer or an independent mechanic.

- According to the National Safety Council, Injury Facts, 2007 edition, 7% of the 245 million registered vehicles in the U.S. were involved in an accident in 2005. Over 75% of these were considered minor or moderate.
- CARFAX depends on many sources for its accident / damage data. CARFAX can only report what is in our database on 6/29/15 at 11:53:29 AM (EDT). New data will result in a change to this report.

Virginia Damage Reports:

- Provide an estimate of the extent of damage in its accident reports for the following:
 - UNKNOWN: The vehicle damage was unknown at the time of the accident.
 - SEVERE/TOTALED: The vehicle cannot be driven from the accident scene due to severe damage or an injury. This level of damage often results in a Salvage or Junk title.
 - MODERATE: The accident damage affects the operation of the vehicle and/or its parts. Examples include broken windows, trunk lids, doors, bumpers and tires.
 - OVERTURNED: The vehicle rolled over in the accident.
 - MOTOR: The accident damage affects the operation of the vehicles engine and/or its parts.
 - UNDERCARRIAGE: The accident damage affects the undercarriage of the vehicle and/or its parts.
 - FIRE: The accident damage to the vehicle resulted in a fire.
 - NO DAMAGE: The vehicle was not damaged.
- Are required if the estimated damage exceeds \$1000

CARFAX Price Adjustment™

Accidents, service records, number of owners and many other history factors can affect a vehicle's value. The CARFAX Price Adjustment is a tool that analyzes millions of used car transactions to measure how the combination of all the information reported to CARFAX affects the value of a particular vehicle. The vehicle's retail book value plus the CARFAX Price Adjustment will give you a more accurate measure of the vehicle's value. Use this tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.
