### First Owner

When the first ow ner(s) obtains a title from a Department of Motor Vehicles as proof of ow nership.

### Ownership History

CARFAX defines an ow ner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ow nership. To provide estimated number of ow ners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ow nership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ow nership of a vehicle and are required to in the follow ing states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ow nership history.

### Title Issued

A state issues a title to provide a vehicle ow ner w ith proof of ow nership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ow nership. In Canada, a registration and bill of sale are used as proof of ow nership.
