First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

J# 1 11MBZ ENGINE MINOR TECH(S):1320 795.00

CLIENT STATES THERE IS A SCREECHING SOUND FROM THE MOTOR WHILE DRIVING. TECH 1320 HEARD NOISE CUSTOMER COMPLAINING Noisy ABC pump
Performed diagnostics to locate source of engine noise. Found that the noise was coming from the ABC pump. Performed testing of the pump and found that it was not producing pressure to the ABC system and had failed internally, causing the noise. Replaced the ABC/power steering pump and serpentine belt. Reset the ABC system and bled the ABC system. Retest ok.
