Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Lexus Recall / Service Campaign

Portions of this report have been included under license from Toyota Motor North America, Inc. ("TOYOTA"), License Agreement TMS1013. This data applies only to vehicle marketed or originally sold in Mexico and the United States of America, including Guam, Saipan, American Samoa, Puerto Rico, the U.S. Virgin Islands and the other United States territories and protectorates with currently open safety or emissions recalls, or service campaigns. While TOYOTA provides data to Carfax Inc. on a regular basis, this report may not include very recent activity. For the manufacturer's most current information on recall/campaign activity for any Toyota, Lexus or Scion brand vehicle, you must go to <http://toyota.com/recall> or <http://lexus.com/recall>.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

BUYERS GUIDE

IMPORTANT: Spoken promises are difficult to enforce. Ask the dealer to put all promises in writing. Keep this form.

LEXUS	ES350 BASE 4DR 3.5/A6	2007	JTHBJ46G172018084
VEHICLE MAKE	MODEL	YEAR	VEHICLE IDENTIFICATION NUMBER (VIN)

WARRANTIES FOR THIS VEHICLE:

AS IS - NO DEALER WARRANTY

THE DEALER DOES NOT PROVIDE A WARRANTY FOR ANY REPAIRS AFTER SALE.

DEALER WARRANTY

FULL WARRANTY.

LIMITED WARRANTY. The dealer will pay 50% of the labor and 50% of the parts for the covered systems that fail during the warranty period. Ask the dealer for a copy of the warranty, and for any documents that explain warranty coverage, exclusions, and the dealer's repair obligations. *Implied warranties* under your state's laws may give you additional rights.

SYSTEMS COVERED:
ENGINE UNIT
TRANSMISSION UNIT
STEERING UNIT
BRAKE PADS & SHOES

DURATION:
30 DAYS OR 1000 MILES. WHICHEVER
COMES FIRST.

NON-DEALER WARRANTIES FOR THIS VEHICLE:

- MANUFACTURER'S WARRANTY STILL APPLIES. The manufacturer's original warranty has not expired on some components of the vehicle.
- MANUFACTURER'S USED VEHICLE WARRANTY APPLIES.
- OTHER USED VEHICLE WARRANTY APPLIES.

Ask the dealer for a copy of the warranty document and an explanation of warranty coverage, exclusions, and repair obligations.

- SERVICE CONTRACT. A service contract on this vehicle is available for an extra charge. Ask for details about coverage, deductible, price, and exclusions. If you buy a service contract within 90 days of your purchase of this vehicle, *implied warranties* under your state's laws may give you additional rights.

ASK THE DEALER IF YOUR MECHANIC CAN INSPECT THE VEHICLE ON OR OFF THE LOT.

OBTAIN A VEHICLE HISTORY REPORT AND CHECK FOR OPEN SAFETY RECALLS. For information on how to obtain a vehicle history report, visit ftc.gov/usedcars. To check for open safety recalls, visit safercar.gov. You will need the vehicle identification number (VIN) shown above to make the best use of the resources on these sites.

SEE OTHER SIDE for important additional information, including a list of major defects that may occur in used motor vehicles.

Si el concesionario gestiona la venta en español, pídale una copia de la Guía del Comprador en español.

 Front & Rear Side Curtain Airbags
 Front Seat-Mounted Side Airbags
 HomeLink Universal Transceiver
 Side-Impact Door Beams
 Vehicle Theft-Deterrent System w/Immobilizer

Vehicle Facts: All new for 2007 * Lexus ES350 is powered by a new 272 horsepower 3.5-liter V6 engine coupled with a six-speed automatic transmission * Vehicle Stability Control and eight airbags -- including front and rear side curtain airbags, and front knee airbags -- are standard equipment * Rear side airbags are optional equipment * An optional Pre-Collision System includes Dynamic Radar Cruise Control which can measure and maintain a set distance from a vehicle traveling ahead * Standard equipment includes a power moonroof, HomeLink compatible garage door opener, and power seats with memory * Lexus ES350 is powered by a 3.5-liter DOHC 24-valve engine with dual Variable Valve Timing with Intelligence, rated at 272 HP at 6200 RPM with a torque rating of 254 lbs.-ft. at 4700 RPM, coupled with a 6-speed automatic transmission with sequential shift * * REASONS TO BUY: Advanced Vehicle Stability Control integrates the anti-lock braking system, Electronic Brake Force Distribution and Brake Assist to help control loss of lateral traction while cornering by using throttle intervention and/or applying individual wheel braking * Larger side airbags are placed in the front seats rather than the door to ensure that the airbags deploy in the proper location, no matter where the seats are positioned * To help provide the appropriate level of restraint, the driver's multistage front airbag is designed to deploy at different speeds * Front seat-mounted side airbags remain consistently positioned to the occupant regardless of the front seat's position * Side curtain airbag system deploys to provide extra head protection for occupants in the event of a side-impact collision * Brake Assist is designed to determine if the driver is attempting emergency braking, and, if the driver has not stepped hard enough on the brake pedal to engage the ABS, the system supplements the braking power applied * Active engine mounts help keep even the smallest vibrations from reaching the passenger compartment * 4-wheel independent suspension mounted in anti-vibration subframes gives a smooth ride & responsive handling * Electronically controlled 6-speed automatic transmission provides an outstanding balance of smooth shifting & quick response to make best use of the engine's broad torque curve * The 6-speed automatic transmission responds to road grades, delaying upshifts to sustain power for incline and to provide engine braking on descents * The specially tinted window & moonroof glass rejects ultraviolet and infrared light to help keep the interior cool on sunny days and to protect interior materials from premature aging * Automatic Sound Level (ASL) adjusts volume up or down in response to ambient noise * Super Olefin Polymer body-side cladding & rocker panels provide protection from stones & road debris * Outboard rear headrests recessed in the seat for improved visibility *
